

We're celebrating color days! Every day for the next two weeks, please have YOUR CHILD pick out the appropriate color to wear on that day. No need to be head to toe in one color. A shirt, a hairbow, or even socks in the corresponding color will be just fine. And if your child has nothing in their closet in the color of the day, don't worry! We will find something at school. The children look so forward to finding the color of the day on their friends and showing off what they found to wear.

Thanks so much for all your help!
