

I, Kari Patton, am a wife to one, and mother to six. I love my children and I love my life! Originally from Indiana, I came to east Tennessee to attend Milligan College. My degree is in social work. I never pursued that as a career, but chose to have children instead. After my first child was born, I opened a preschool in my home, which was in operation for 18 years. During that time, I was able to homeschool my children and serve as Director of the Preschool Department at my church. In the fall of 2012, I joined the Lake Ridge staff in Educare, then became a preschool assistant later that spring. I attend Calvary Church and am passionate about my faith. Anything I can do that is creative, whether it is decorate someone's house, paint, or decorate cakes, makes me happy. But my favorite thing to do is spend time with my wonderful family.
